

# LSST:UK All Hands Meeting 2021

The meeting will start at 12:45

# Session guidelines

- Participants must abide by the **LSST:UK Code of Conduct**
  - Concerns may be raised with the Meeting Points of Contact: Mark Sullivan and Vivienne Wild (contact details on meeting wiki)
- Please keep your **camera off & mic muted** if not speaking
- **Questions are best asked through the session Slack channel** (or, failing that, Zoom chat)

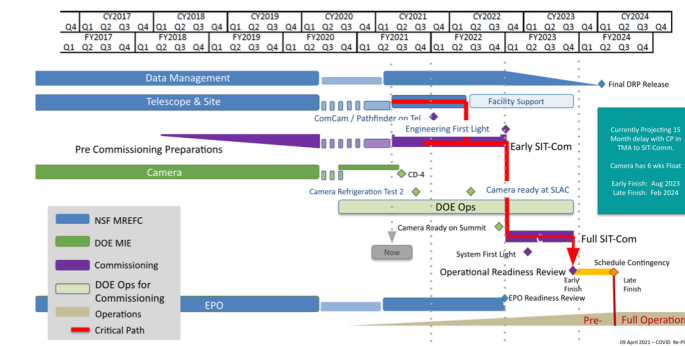

# Welcome and Meeting Overview

- Exciting time for the Rubin LSST and for LSST:UK
  - Construction progressing well again
  - Post-Covid project schedule released
  - *Close to* agreement of UK in-kind package – and data rights agreement

- Good time to broaden engagement with Rubin LSST & LSST:UK

# Meeting Overview

- Formal sessions in Zoom
  - Updates on Rubin and UK in-kind package
  - Summaries of Science Collaboration activities
  - Synergies – with Gaia, Euclid, 4MOST, Simons Obs.
  - Contributed talks and Focus Sessions
- Informal sessions in GatherTown
  - Poster sessions, breaks...and see friends again

# For those new to Rubin & LSST:UK

- Introductory info session (Tues 14.30)
  - Background information: linked from Programme
- Dedicated Slack channel: **new-to-all-this**
  - Post any questions there as they arise
- Science Collaboration “kiosks” in GatherTown during the Poster Session on Wednesday
